

Tech Mahindra Receives 2018 AT&T Supplier Award

New Delhi, India/ Dallas, USA, April 2, 2018: Tech Mahindra, a leading provider of digital transformation, consulting and business re-engineering services and solutions, announced today it has received the 2018 AT&T* Supplier Award for its outstanding performance and service to AT&T affiliates during the past year.

The company is being recognized for its outstanding contributions across a broad scope of selection criteria, including supplier diversity results, creative cost management solutions, teamwork, customer service, product/service performance and sustainability.

“Over the last year, Tech Mahindra aligned themselves with AT&T’s priorities and exceeded our expectations in helping provide for our customers,” said Susan Johnson, executive vice president – Global Connections Management and Supply Chain, AT&T Services, Inc. “Together, we delivered smart solutions and exceeded customer expectations. And we did it all with innovation and leading technology. The commitment and contributions of Tech Mahindra has distinguished them as our 2018 recipient.”

“Tech Mahindra is very grateful to AT&T for this honor & recognition,” said Ashish Julka, Senior Vice President, Tech Mahindra. “Over the last 14 years we have stayed focused on delivering value to AT&T and its customers. We are very excited about the strategic initiatives that we are working with AT&T on – including the open source ACUMOS AI platform that was recently launched by Linux Foundation. We are committed to driving innovation and thought leadership across all lines of business.”
