

Tech Mahindra launches Airbus Group's 'HUB' at Electronic city facility, Bengaluru

Bengaluru, India – October 06, 2014 – Tech Mahindra today announced that it has successfully launched and operationalized "The HUB for Airbus Group". The Hub was inaugurated by Mr. Bernard Richardot, VP, Head of Product Development, General Procurement, Airbus Group.

The HUB is a long term transition from current execution models to a platform based approach in Product Development and Engineering services. The HUB will deliver multi-domain services and solutions, ranging from product development to after-market services to the Airbus Group.

Nagendra Vyajamala, Delivery Head Airbus Tech Mahindra, Karthikeyan Natarajan, Global Head Integrated Engineering Solutions, Tech Mahindra, Bernard Richardot, VP Procurement, Airbus Group, Mr Timothy Albrich, Global Sourcing Manager Engg Airbus

On this occasion, **Mr. Bernard Richardot** said "The HUB is the right example of a model aimed at servicing multi-domain, multi locational activities of Airbus Group by synergizing the competencies of Tech Mahindra and its partners."

Gaurav Gupta, Business Head, Engineering Business Europe at Tech Mahindra added, "Airbus HUB is a leap in Tech Mahindra's aerospace journey, the creed is to provide a platform that serves Airbus group to deliver Engineering and IT solutions along with cost savings and delivery excellence as primary driver.

The Hub is an offering initiated under the Integrated Engineering Solutions (IES) at Tech Mahindra. IES delivers solutions enabling "Future Digital Enterprise" across Aerospace and Defense, Automotive, Industrial Equipment, Transportation, Consumer Products, Energy and Utilities and Hi-Tech products. With many exclusive engineering development centers supporting new program launches and 100+ marquee global customers, IES is recognized as an established player for Engineering Services in the industry.
