

Lakshmanan Chidambaram

PRESIDENT, AMERICAS STRATEGIC VERTICALS

Lakshmanan Chidambaram (CTL) heads the Core Business Verticals comprising of Banking & Financial Services, Insurance, Manufacturing, Retail CPG & Travel, Aero & Defense and Healthcare Life sciences. As a board member of Tech Mahindra Americas & Citisoft and as a key member of the transformation team at Tech Mahindra CTL provides strategic insights and drives the vertical centric go-to-market differentiated solutions to enable Tech Mahindra to realize the stretched growth objectives. He represents Tech Mahindra as a Strategy Officer in the World Economic Forum pre summits and G100 group meetings.

CTL has over two decades of rich and varied global outsourcing business experience spanning Sales, Marketing, Relationship Management, Strategic Account Management & New Business Development. Prior to joining Tech Mahindra, he was a key member of Syntel's leadership team (since 2001), responsible for charting its growth in North America. His prior leadership roles include Chief Operating Officer for Bahwan CyberTek Inc and a long association with the HCL group spanning eleven years in varied leadership positions across Sales, Marketing and General Management.
