

RAKESH SONI

CHIEF PEOPLE OFFICER

Rakesh Soni is the Chief People Officer at Tech Mahindra. Before shouldering the responsibilities of a CPO, he was the Chief Operating Officer of the company's Enterprise Division.

In addition to a keen financial acumen and bottom-line focus, Rakesh is known for spearheading challenging projects that have strict timelines and budgets.

Before embarking on his journey with Tech Mahindra, Rakesh was the EVP of Perot Systems TSI, responsible for creating and managing diverse high performance teams including resource management, quality, service delivery, human resources, and finance.

In a career spanning over four decades, Rakesh has held leadership positions across high-performance, multi-cultural organizations like Tata Consultancy Services, Engineers India Ltd., and Abu Dhabi Computer Centre.
