

VIKRAM NAIR

PRESIDENT: EMEA Business

Vikram Nair is an accomplished business leader with over 25 years of global experience in the industry. An astute and inspiring leader, Vikram played a significant role in Tech Mahindra's growth over the past decade.

In January 2015, Vikram was appointed President, where he currently heads the company's Business and Operations across EMEA. Under Vikram's leadership, the company has evolved as a leading provider of SI services to leading companies in Europe. Vikram previously held several key positions including a major role in the acquisition of Satyam, as the Managing Director of Europe for Mahindra Satyam, prior to integration and merger with Tech Mahindra in 2011. Tech Mahindra's transformation of erstwhile Satyam is one of the most successful turnaround stories of Corporate India.

Before joining Tech Mahindra, Vikram led European Operations for Larsen & Toubro and has worked with HCL Perot Systems (HPS) where he was responsible for starting and establishing the company's presence in Western Europe.

Vikram has an engineering degree in Electronics and a management degree from Indian Institute of Management, Calcutta. He lives in London with his wife and two children & is an avid fan of football, cricket and athletics.

Vikram also enjoys participating in various industry events and exclusive global leadership communities including the G100. He is part of the Mahindra Group delegation at the World Economic Forum and regularly participates in the forum's strategic partnership initiatives, including the Annual meeting in Davos.
