

Employees & Workspace. Connected.

When one of the world's largest health insurance companies was struggling with non-productive IT, lack of device freedom and was looking for ways to scale up its infrastructure to meet the needs of a growing workforce of 45,000 employees, our Workspace-as-a-Service (WaaS) ensured:

40% OF ESTIMATED COST REDUCTION OVER A 5 YEAR PERIOD

22,800 USERS COVERAGE

SECURITY COMPLIANCES + FLEXIBLE WORKSTYLES

CENTRALIZED MANAGEMENT OF ENTIRE DESKTOP INFRASTRUCTURE

LOWER CAPEX PER DESKTOP PER MONTH
